Program Chair Maryann Lohmann introduced our speaker. Jackie Cholewinski showed us a different way to make pillowcases. Jackie has kits made up to us to take and make for charity. When we return them completed, mark the

number by your name. Those who make the cases will have a voice as to what charity will receive them. She also showed how to make easy coasters.

Quilt Show – Nancy Jozwiak – All committees are covered. Sign up sheets will be available in August to sign up to work.

Boutique – Kathy Jerzewski – June workshop will be a work detail making items for the boutique. She showed all over bibs and golf cart bags she has received.

Tickets – Mary Lou Corelli – Ticket sales are going real well. So far she has received \$600.00. Everyone keep selling tickets. If you need to take the quilt for display, call Karen O’Connell to set up a time.

Charity Quilts – Anne Wasmund – She told us we would be starting a new project. There are 20 terminally ill patients at the VA Hospital. They are trying to keep the rooms a homey place to stay. We are asking for anyone who would like make a red, white & blue quilt. A large Lap or Twin will be great. They are so excited about having us make and donate the quilts for this project. This can be an on going project, because when the patient dies the family gets the quilt.

Also there is a need for all over bibs. The adult disabled will cut them out and make kits if we could finish them. These are needed for a Springville pre-school special ed class.
